JACKSONVILLE, FLA., May 1st, 1901 190

Department of State,
Passport Division,
Washington, D. C.

Sir:-

I enclose application of Sigmund Hess, for a passport, accompanied with fee of \$1.

I do not enclose copy of his naturalization certificate, as he says that in April, 1882, he sent the copy to the Department, and received a passport then, but his naturalization paper was mislaid, or miscarried.

Passport was issued to him sometime in the latter part of April, or first of May, of that year, as he used it on May 6th, 1882.

If the records of your division show that passport was issued to him I suppose it will not be necessary for him to procure and forward another copy of his certificate, as his citizenship once proven, is established; and it will take some little time to send to Paris, Ill. to get another copy.

I personally know that Mr. Hess is a permanent resident of this place and has been in business here for years, and leaves his family and business here for only a few months, to make a short trip abroad.

Respectfully,

Clerk U.S. District Court.

Sir:

Referring to your letters of April 22 and 27, I beg to re-enclose herewith application for passport for Mr. Moses Abecasis, together with his certificate of naturalization, and fee of one dollar, currency; which papers and fee have already been before you and returned to me. I also now enclose two affidavits of subscribing witnesses, asked for in your communication of the 27th ult.

The original witness to the application, Albert Abecasis, is no relation, as I am informed, of the applicant, and although the name is similar, one name is spelt with one "s", the other with two, as an inspection of the signatures on the application will discover.

I trust the application and accompanying papers will now be in proper form for the issuance of passport.

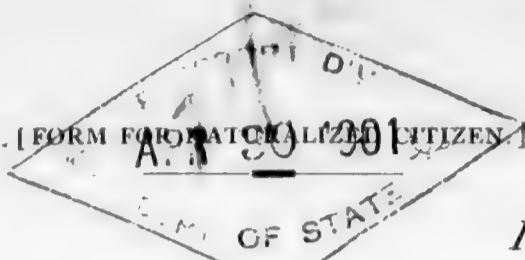

Respectfully yours,

Thos. F. Daniels

Sirs,-

We transmit herewith an application of Mr. Leopold J. Schwab, a naturalized citizen of the United States for a passport for himself while on a trip to Germany.

Mr. Schwab is unable to give the date of naturalization, the court before which he was naturalized, or, to produce the Certificate, as all of his papers were required to be left by him at the U. S. Consulate at Paris when he obtained from that office the enclosed passport to Austria in 1877. Not returning to France he never regained his naturalization papers which are still in that office.

We trust that the Department will act favorably on the application. We enclose the fee of \$1.

Very respectfully,

Thomas Pierson.

Your valued favor of yesterday duly received and contents noted, in reply I beg to say that Mr. Doss signed the application referred to in my presence , and if necessary I can make an affidavit to that effect, what makes it appear that the application is signed in two handwritings is that Mr. Doss first signed Oswald Doss and then filled in Hermann, that happened because he very often signs in that way, hoping that this explanation will be considered and that you will issue the passport without me making out an affidavit I remain,

Dear Sir: on my landing in America being ignorant then of the English language and a mere boy of 16 years of age - I did not give in my full name and left out my middle name which is Melville, and when I got to that I could express myself in English I commenced to use my full name which is Lenox Melville Mundell. But as I am naturalized under the name of Lenox Mundell, it is immaterial to me whether my full name appears or not on the passport, but I thought I would speak of it. If you think I had better have the full name, why then you in making out the passport may do so and if not why Lenox Mundell is good enough for me -

Yours Very Respectfully,
